POSITION OF RESPONSIBILITY	
Envision Head as UI/UX - Aaruush	Jan 2023 - Sep 2023
<ul style="list-style-type: none">Orchestrated the UI/UX design process for various club projects, leading a team of 8 members and ensuring the seamless integration of user-centric design principles.Spearheaded the development and enhancement of the club's website and many other Portals which is coming under the Organization, resulting in a 40% improvement in user engagement and a more intuitive browsing experience for club members.Conceptualized and executed the design of the club's mobile app interface, incorporating user feedback and usability testing to increase user satisfaction.Applied industry-standard design tools such as Figma to create wireframes, prototypes, and high-fidelity mock-ups for multiple digital platforms, optimizing user interaction and visual appeal.Collaborated with the development team to implement responsive design strategies, enhancing the website's mobile responsiveness and accessibility across various devices.Conducted user research and usability testing sessions to gather insights and feedback, leading to iterative design improvements and a 25% increase in overall user satisfaction.Some of the Projects are aaruush connect app, aaruush website, T-summit portal, Cap Portal.	
Creative Lead - SRM IET on Campus	Nov 2021 - Present
<ul style="list-style-type: none">Demonstrated strong leadership and management skills by overseeing a team of 12 members in organizing and executing various creative Works and eventsLed the planning and execution of 2 day Rural-Outreach Program which Was Successful.learnt and taught many design tools and designed some cool stuff with team.	

COMPETITIONS	
Designathon	Aug, 2023
This was Pixel X 24 hours Designathon organised by the SRM Institute of Science and Technology SRMIST, Kattankulathur, Chennai.	
Xiaomi Ode2Code 3.0	Aug, 2023
I have participated in the Quiz Round I of the Xiaomi Ode2Code 3.0 organized by the Xiaomi India.	

VOLUNTEER EXPERIENCE	
FuturixCtech - Role: Design Head Cause: Science and Technology	Sep 2023 - Present
We planned an event, and while we were planning it, I learned a lot of skills, such as collaborating with other teams and faculties and paying attention for guidance. Recognizing your error and making an effort to learn from it	

AARUUSH - Role: Team Envision Head Cause: Science and Technology	Oct 2022 - Sep 2023
I have Work on Many Project from Ideation to Production in Which it includes 1 Application (aaruush connect) and 3 Websites (Aaruush , cap portal , T-Summit Portal). I have done ideation of each project where i have Played UI/UX Role and in this Organization i learnt how Organization Work and Being the Part of it , It help me to develop and enhance My skills such as leadership, teamwork, communication, organization, and time management.	
SRM IET on Campus - Role: Creative lead Cause: Science and Technology	Dec 2021 - Present
I have developed my soft skills and leadership skills as a lead here. Recently, we organized a rural outreach program, and on the first day, we visited a school for disabled children. It was there that I realized how fortunate I am, and I decided that I must help those who truly need it.We went to the government primary school on the second day.I found out how important oursoft skills is,and patience is needed to complete any task properly.	

EXTRA CURRICULAR ACTIVITIES

Cricket
I have participated in inter - hostel Competition that is Euphoria'23 hostel day
